Interdisciplinary meeting of young life scientists

18. - 21. 5. 2025 • Milovy, hotel Devět Skal

MILOVY 2025 first announcement

Save the Date

In **2025**, the Czech Chemical Society and Czech Society for Biochemistry and Molecular Biology in association with the general partner IOCB Tech and Merck Life Science and further sponsors are traditionally holding the Interdisciplinary Meeting of Young Researchers and Students from chemistry, biochemistry, molecular biology, and biomaterial-related fields.

The Conference will take place on May 18 – May 21, 2025

We are honored to welcome our distinguished plenary speakers

It is our great pleasure to announce the participation of two esteemed experts from related fields as plenary speakers.

Prof. RNDr. Jan Konvalinka, CSc.

Director of the IOCB
Group Leader
Jan Konvalinka Group, Proteases of Human Pathogens

RNDr. Aleš Gavenda, Ph.D.

Director of TAPI R&D Division for Czech Republic and Italy
TAPI Czech Industries s.r.o., Opava,
a Member of the TAPI Group

Discover the 2025 sections:

- **Bioscience & Molecular Biology**
(from biochemistry to biology)
- **Organic Chemistry & Catalysis**
(synthesis, medicinal chemistry, etc.)
- **Advanced Analytics & Material Science**
(separation techniques, mass spec., biomaterials, polymers, biosensors, etc.)

Terms of Participation and Conference Awards:

Young researchers and students under 35 years of age (born in 1990 or later; maternity leave may extend this limit) employed in the Czech Republic can apply for participation. Applicants must submit an abstract and a list of publications along

with their registration by January 31, 2025.

By March 15, 2025, participants will be selected by the Scientific Committee and notified via email.

Awards will be given to the best oral presentations in each section.

Best poster will be awarded by the Jitka Moravcová Prize.

Only Bachelor, Master, and Ph.D. students are eligible for competition; PostDocs are excluded.

Accommodation, breakfasts, lunches and dinners for participants are pre-paid by Organizers.

Participants are responsible for their own beverages and transportation to the event location.

ORGANIZERS & CONTACTS

General partner – Merck Life Science spol. s r. o.
Czech Chemical Society
Czech Society for Biochemistry and Molecular Biology
Technology Transfer Office of the Institute of Organic Chemistry
and Biochemistry AS CR, v.v.i.
