

**REQUEST FOR THE INCREASE OF REGULAR SCHOLARSHIP
IN THE DOCTORAL STUDY**

(student's supervisor asks the dean via the Dept. of Student Affairs)

I would like to ask for an increase of the regular scholarship of the student

(specify full name):

on the basis of:

- fulfilling the obligations of the first study year (accomplished course Literature review and presentation on the Doctoral methodological seminar) and active work on the thesis project
- presentation of his/her own results at the international level in the form of:

personal presentation of a poster at an international conference*) or co-authorship of a paper in a journal with IF**)

oral presentation at an international conference*)

being the first author of a paper in a journal with IF**)

Full citation of the paper, chapter, oral or poster presentation

In the case of paper or chapter specify the list of authors, title, journal, year, page extent; in the case of conference presentation specify the list of authors, title, specification of the conference including place and date of the event (***)

Date:

Name of the supervisor:.....

Supervisor's signature:

*) international conference means a conference where the official language is English or another world language, not Czech or Slovak

***) the paper must be already accepted (with DOI)

****) in all cases, the student's affiliation to the faculty is assumed – please, attach a copy of the poster, the page from the book of abstracts, first page of the paper...)
